## Kentucky Military Institute.

This Institution, created by an Act of the General Assembly, will be opened for the reception of Pupils, on the 1st of March, 1847, under the immediate direction and entire control of a

## Board of Visitors,

Appointed by the Executive of the Commonwealth. It contemplates a Military Organization for Literary and Military purposes, an education eminently scientific and practical; the formation of regular habits, and the diffusion of a knowledge of Military Science.

Military duties will not be permitted to interfere with the pupils' progress in study, but will rather take the place of his unprofitable, and often, vicious play.  
The course of study, adopted, and which will be required in order to graduation, is that usually taught in the best Colleges, except that one language is required, (Latin or French), the time usually occupied by the second, being devoted to a more extensive course in Mathematics, Natural Science and English Literature.

A Preparatory Department is organized in connection with the Institute, in which boys of any age are taken, and are subjected to the same Military discipline as the Cadets.

The position of the Institute, at the Franklin Springs, near Frankfort, Kentucky, (recently occupied by the Franklin Institute), is admirably adapted in every respect to Academic purposes; the locality being airy and healthy, the mineral waters salutary, the buildings elegant, extensive and commodious, and entirely apart from the contamination and multiplied malign influences, which seem inseparable from a city or village residence. The Institution is placed under the charge of Col. R. T. P. ALLEN, as Superintendent, who has been brought prominently before the public, as a competent and successful teacher and governor of youth, by his honorable graduation at the United States Military Academy; his subsequent connection with the Army, and with the Engineering Service of the General Government, as Superintendent of public works; by his long experience as an instructor, by his recent connection with the Transylvania University.

The Academic Year will be divided into two Sessions of twenty weeks each.

The first commencing on the 1st Monday in October, and the second on the 1st Monday in March. The only vacation occupying the months of August and September.

The month of July will be spent in an excursion through the State, for the better study of its Geology and of Natural Science generally.

Applicants for admission, on paying the charge of the Institute, and presenting a certificate of previous education, will be admitted into the classes as their advancement may justify, and upon satisfactory passing the next examination thereafter, will be entitled to a warrant of appointment, as Cadet, from the Governor. The uniform of the Cadets is plain and neat, and being of Kentucky Jeans, will greatly reduce the expense of their clothing.

## FRANKFORT CEMETERY.

THE Company report to state, that owing to the trespasses committed in public graves, and in the burial grounds, walking on the borders and resting on the rails of the enclosures, on SUNDAYS, they are compelled to close the gates on each SUNDAY, and that no admittance can be obtained on that day. While they most earnestly request every visitor to abstain from walking on the borders, or touching any flower or shrub or fruit, they pledge themselves to prosecute (for the heavy penalties imposed by the charter) any person who may commit the slightest trespass. The grounds are now being improved at a very large expense, for the comfort and ornament of our town, and we ask the aid of our citizens, both old and young, in refraining from the slightest act which may be an example for others to commit any trespass whatever.

Persons can visit the grounds during the week in carriages or on foot, but no one can be admitted on horseback. Horses can be tied at Mr. Page's residence on the hill.

## KENTUCKY LEGISLATURE.

### IN SENATE.

SATURDAY, Feb. 20.

The Senate was opened with prayer by Rev. Mr. WATERMAN.

Mr. DRAFFIN presented a petition from sundry citizens of Mercer, for a change of election precinct, and referred to select committee.

Mr. DRAFFIN, by consent, reported from select committee, a bill to change the place of voting in Simm's precinct to Cornishville, in Mercer county; passed.

Mr. HENDERSON asked and obtained leave to bring in a bill for the benefit of Isaac King, of Whitley; referred.

Mr. HAWKINS, by consent, reported from select committee, a bill to incorporate the Warsaw and Williamstown Turnpike Company; referred.

Mr. RICE, from select committee, reported a bill from H. R. to amend the road law in Greenup county.

Mr. RICE, in presenting this bill, remarked, that the committee had come to no conclusion upon the subject, and had left it in his charge, as chairman of the committee; that he felt it to be an unpleasant task for a Senator to oppose a bill, the passage of which had been urged and secured by the representative in the lower branch of the Legislature; but the subject of a change in the road law of Greenup, had excited a great deal of feeling in that county, and it became his duty, in obedience to what he believed to be the wishes of his constituents in that county, to oppose the passage of the bill in the Senate. The 3d section of the bill imposed a tax of 6¢ cents on each ton of iron manufactured in the county of Greenup. The people of Greenup were opposed to specific legislation of this kind, and particularly to the imposition of a specific tax upon the manufacturers of iron, who contributed so largely to the prosperity of that county. He hoped the bill would not pass.

The bill was rejected.

Mr. J. SPEED SMITH, from committee on Internal Improvement, reported a bill from H. R. to incorporate the Paris and Georgetown Turnpike Company; passed.

Mr. SWOPE, from same committee, reported a bill from H. R. to continue a turnpike road from Burlington to Florence in Boone county, with an amendment, amendment concurred in and bill passed.

Also—a bill from H. R. authorizing the county court of Nicholas to change or discontinue a State road; passed.

Also—a bill from H. R. for the benefit of the Lexington and Covington Turnpike Company; passed.

Also—a bill to incorporate the Covington and Dry Run Turnpike Company; passed.

Also—a bill to incorporate the Boone Turnpike road Company; passed.

Also—a bill to incorporate the Warsaw and Williamstown Turnpike Company; passed.

Mr. BRISTOW, from same committee, reported a bill from H. R. to settle and adjust the claim of John Bussing of Garrard county, authorizing him to file bill against Garrard of Internal Improvement in the General Court, with amendments.

Mr. PEYTON opposed the bill, and moved to lay bill and amendments on the table, but withdrew the motion at the request of Mr. BRISTOW, who desired to explain the facts of the case and the provisions of the bill. The facts presented in the petition were, that the State had contracted with Mr. Bussing for the delivering of timber for the repair of the railroad; and had, through her agents, prevented him from passing with his raft, through one of the locks on the Kentucky river, whereby the raft was sunk, and resulted in a total loss to him. The bill provides that Mr. Bussing may, at his own cost, file his bill in the General Court, making the Board of Internal Improvement a party, and submit the question of the liability of the State to compensate him for the damages sustained, to the decision of the court.

The bill was advocated by Messrs. FOX and J. SPEED SMITH, and opposed by Messrs. PEYTON and PATTERSON.

Mr. PEYTON renewed his motion to lay the bill and amendments on the table.

The yeas and nays were as follows:

Yeas—Messrs. Boyd, Bradley, Bramlette, Brien, Crenshaw, Evans, Hardin, Heady, Henderson, Holloway, James, McNary, Patterson, Peyton, Russell, South and Taylor—17.

Nays—Messrs. Bristow, Butler, Draffin, Fox, Harris, Hawkins, Helm, Key, Rice, Slaughter, J. Speed Smith, Swope, Thornton, Thurman, Todd, Walker, Wall and Williams—18.

So the Senate refused to lay the bill on the table.

The bill was further discussed by Messrs. BRISTOW and J. SPEED SMITH for, and Messrs. WALL, CRENSHAW, BRADLEY and BOYD against the bill.

Mr. BUTLER offered a resolution, re-committing the bill to committee, with instructions to investigate the facts of the case, and report a bill for the relief of the petitioner, if in their view his claim be a just one.

Mr. PATTERSON opposed the resolution.

Joint Order of the Day—Election of Public Officers.

A message was received from the H. R. through Mr. STEVENSON, that the H. R. was ready to proceed with the execution of the joint order of the day, having for its object the election of public officers.

Mr. PEYTON was directed to bear a similar message from the Senate to the H. R.

A message from H. R. through Mr. McHENRY, was received, announcing that James Davidson was in nomination for the office of Treasurer.

Mr. HELM nominated James Davidson for the office of Treasurer.

No other individual being in nomination, Mr. Davidson received the unanimous vote of the Senate.

Messrs. HELM and PATTERSON were appointed a committee to report the joint vote, and reported that JAMES DAVIDSON had received the unanimous vote of both houses; whereupon he was declared by the Speaker, duly elected to the office of Treasurer of the Commonwealth of Kentucky.

### Public Printer.

Mr. HARRIS nominated JOHN M. HELMS.

Mr. FOX nominated A. G. HODGES.

A message was received from H. R. that the same individuals, together with G. H. MONSARRAT, were in nomination.

Mr. HARRIS said, that to give a chance to Mr. Monsarrat, he would nominate him.

Mr. HARRIS remarked, that Mr. Helms, in case of his election, stood prepared to give the most unquestioned security for the performance of the duties of Public Printer.

The Senate then proceeded to ballot as follows:

Those who voted for Mr. HODGES, were:

Messrs. Boyd, Bramlette, Bristow, Butler, Crenshaw, Draffin, Evans, Fox, Hardin, Hawkins, Helm, Henderson, Holloway, Key, McNary, Patterson, Peyton, Russell, Slaughter, Speed Smith, Taylor, Thornton, Todd, Walker, Wall and Williams—26.

Those who voted for Mr. HELMS, were:

Messrs. Bradley, Brien, Harris, Heady, James, Rice, South, Swope, Thomas and Thurman—10.

For Mr. MONSARRAT—none.

The same committee were appointed to compare and report the joint vote, and after a short time, Mr. Helms reported that the joint vote stood as follows:

The following message from the Governor was received through G. B. Kinkead, Esq.

Gentlemen of the Senate:

Being of opinion that the office of Secretary was vacant, on the 1st of September last, I commissioned George B. Kinkead, Esq., to fill the vacancy until the end of the present session of the General Assembly. Since the commencement of the session, I nominated for your advice and consent, Mr. Kinkead to be Secretary from and after the end of the present session.

The nomination was rejected, because as you say, there is no vacancy in the office of Secretary. The opinion so expressed, is directly opposed to the opinion which I had at the time Mr. Kinkead was commissioned, and which I still entertain. I did not act hastily, and after the most mature reflection, I feel a thorough conviction that nothing has been done by me, in reference to the Secretary, which is not in perfect conformity to the constitution, and that as Governor, I could not upon any other construction of that instrument, have fulfilled the duties of my office.

But the conflict of opinion between the Senate and myself, has placed Mr. Kinkead in a delicate position. I am sure that in accepting the commission which was tendered to him, by me, without his solicitation, he was influenced only by patriotic motives; actuated by like exalted feelings, while he fully concurs with me in opinion, he has yet expressed an unwillingness to hold the office until the expiration of the commission, whilst the opinion of the Senate stands opposed to him. He has therefore resigned his commission, wherefore,

I again nominate for the advice and consent of the Senate, Geo. B. Kinkead, to be Secretary.

WM. OWSLEY.

The said nomination was unanimously advised and consented to by the Senate.

Mr. JAMES, from select committee, reported the following resolution, accompanied by a report:

Resolved, That it is expedient and proper, to provide for the erection of a suitable monument, in honor of the heroes of Kentucky, who have heretofore, and who may hereafter, fall in defence of our much beloved country, and of her illustrious citizens whose memory may be entitled to commemoration.

Also—a bill authorizing the Frankfort Cemetery Company to convey a portion of its grounds to the State of Kentucky.

Mr. PROCTER replied in favor of the substitute.

Mr. WILLIAMS did not object to the presentation of a sword to Gen. Taylor or Butler; but he believed the preamble and resolutions of the House in much better taste than those of the Senate. HAVE CONSTANTLY ON HAND A COMPLETE ASSORTMENT OF LAW, MEDICAL, THEOLOGICAL, CLASSICAL, SCHOOL AND MISCELLANEOUS BOOKS, of every description, and at the lowest prices.

The Printer begins with the alphabet. To interest and excite the little learner, numerous cuts of familiar objects are employed.

The First Reader consists of easy lessons, in simple language. The subjects are such as catch the attention and excite curiosity.

The Second Reader carries the pupil still further onward, without the danger of supplying him with lessons beyond his comprehension, or leading him into the bad habit of reading without thinking.

The Third Reader, induces the pupil to a wider field of literature. This volume contains a full course of lessons on the subject of morals and manners, and is calculated to supply the common deficiency of schools in this respect. It contains a series of RULES FOR READING, the mode of applying which, is peculiar and original.

These books are ORIGINAL, not a line having been copied from any School Book in common use.

The younger pupils contain many beautiful ENGRAVINGS, designed and executed expressly for these books, by the first artists. These engravings are not a mere ornament, but serve to ensure the constant presence and attention of the young reader's mind and heart in the progress of the lessons.
